

model
L2+LP

Shower enclosure next to a bath tub or a small wall. It is made by an opening element with two opening doors and a short panel. The standard height of the complete programme is 195 cm, so to propose Linea as natural complement of the new generation of shower trays, partially or totally built in.

Pivot door
Above wall

collection
Linea

Series Linea of shower enclosures have a hinged opening. In all the models the door opens to the outside, some even towards the inside.
