

model  
**IF 3**

Wall shower enclosure made by an undressing area and a wet area, separated by a 180° pivot door with double function. The model In-Out has changed the concept of shower space, which is not only a shower area but as a personal wellness place. In-Out has a space dedicated to undressing, drying, dressing with the maximum comfort.

collection  
**In-Out**

In-Out series shower enclosures have a hinged opening. In all models the door has both internal and external opening. The peculiarity of this model is that the door creates an area or bathroom in which to undress or dry after the shower, for a comfortable use of the cabin itself.
